Applied baccalaureate degrees are distinguished by a focus on serving the needs of adults who already hold an associate's degree and now desire to pursue a bachelor's degree in order to advance their careers or, in some cases, to change careers. Most commonly the associate's degree held by the adult is an Associate of Applied Science (AAS). These degrees provide the knowledge and skills needed by students to start a career immediately after completing the degree rather than preparing them to continue to upper division courses and a bachelor's degree. It is easiest to consider the scenario where those who have received an AAS degree, started a career based on this degree, and later have decided that they would like a bachelor's degree. These adults may have some of the following career aspirations:

- To increase their responsibility level but remain focused on a technical career.
- To move into supervision or management.
- To obtain the advantages associated with a liberal arts degree including general broader knowledge and more advanced thinking and problem solving skills, possibly including a desire to continue to pursue a graduate degree.

# Admission to the Applied Baccalaureate degree program

The A.B. degree is NOT open for the traditional student who is currently enrolled at WOU (e.g., a student who started higher education at WOU or a student who earned a transfer degree such as an AAOT). Admission into the A.B. degree track at WOU requires the student to meet the following conditions:

- Student has either completed and Associate of Applied Science Degree (or other terminal/non-transfer associate degree)
  ~OR~
- Has a minimum of 60 quarter units toward an Associate of Applied Science degree (or other terminal/non-transfer associate degree).

Placement of transfer units into the A.B. curriculum will be determined in consultation with the academic advisor for the specific A.B. program.

Students who have pursued and/or have completed an Oregon Transfer Module (OTM), Associate of Arts Oregon Transfer degree or an Associate of General Studies degree (AGS), *are not eligible* for admission into the A.B. track – they will continue to be admitted into our traditional B.A., B.S., B.F.A., B. Mus degree tracks.

Applied Baccalaureate degrees are offered in: Gerontology Psychology Computer Science Information Systems

Students who complete the university requirements listed below are granted this degree.

- Minimum of 180 credit hours including 62 upper-division
- Minimum of 2.00 (C) grade point average (GPA) in all work completed at WOU
- Residence: minimum of 45 of the last 60 credit hours completed through WOU
- Maximum of 124 community college transfer credits including vocational technology

• AB Core Curriculum: completion of 36 credit hours as outlined in the section on undergraduate programs

- Academic major: 55-75 credits; minimum of 36 upper-division credits
- Academic minor: optional; minimum of 12 upper-division credits unless otherwise stated

# Applied Baccalaureate Core Curriculum

### **Mission statement**

The AB Core provides students with a general education core experience to help them develop a foundation of basic knowledge for a more healthy and successful personal and professional life.

#### Learning Outcomes

- 1. Demonstrated understanding of the liberal arts and their role in a diverse society.
- 2. Demonstrated effective use or oral, written and computational skills.
- 3. Demonstrated ability to interact collaboratively.

The AB Core is a required part of all AB degrees and comprises a minimum of 36 of the 180 credit hours necessary for graduation. Math, computer science, cultural diversity, quantitative literacy and writing intensive course requirements, where applicable, are tailored to the various applied baccalaureate degrees offered at WOU (see p XX).

It is critical that students consult with the Academic Advising and Learning Center or their academic advisor as they select AB Core courses to avoid mistakes that may prolong their time in college.

### Applied Baccalaureate Degree Program Basic Requirements

Students seeking an Applied Baccalaureate degree at WOU are required to complete the following courses or their equivalents.

WR135 or equivalent (3-4) CS 121 or equivalent (2) MTH 105 or equivalent (3-4)

## **Other Requirements**

Minimum of 6 units of Writing Intensive coursework Minimum of 6 units of Cultural Diversity coursework

Partial completion of the MTH 211, 212, 213 sequence will not meet any mathematics, computer science, or quantitative literacy courses graduation requirements. Regardless of the academic program being pursued, if any of MTH 211, 212, 213 are to be applied toward graduation requirements, the entire sequence must be completed.

## Approved Applied Baccalaureate Core Curriculum Courses (minimum of 36 ld/ud units)

Courses completed as part of the AB Core Curriculum may also be used to fulfill requirements within a student's major or minor program (i.e., may be double-counted).

An AB Core Curriculum course may not count in more than one category (i.e., students may not double count courses from multiple quadrants).

Written / Oral / Visual Communication – select 3 classes (minimum of 9 units) from at least two categories

#### Writing
