Ronald J. Boomer Distinguished Biology Student Scholarship

The family of Ronald J. Boomer has generously established an endowment in his memory to support outstanding Biology majors at Western Oregon University. Five scholarships at \$2500-\$3000 are available to junior or senior students majoring in Biology at Western Oregon University during the 2015 – 2016 academic year.

Undergraduates in Biology Scholarship

Dr. Lowell W. Spring, with added support from several donors, has contributed funds to support Biology majors at WOU. Dr. Spring is an emeritus Professor of Biology at Western Oregon University. Three (3) \$3500 scholarships are available to students majoring in Biology at Western Oregon University during the 2015 – 2016 academic year. Preference for 1 of the 3 awards will be given to students currently completing the BI 200 series.

Morris and Margaret Johnson Biology Scholarship

Dr. J. Morris Johnson, emeritus Professor of Biology at Western Oregon University and his wife Margaret, have contributed funds to support a Biology major at WOU. Two (2) \$1500 scholarships are available to a junior or senior student majoring in Biology (preference given to a Botany emphasis) at Western Oregon University during the 2015 – 2016 academic year.
