

EMAIL OR MEMO TEMPLATES

WHAT IS THIS? Before having a WOU GROW® conversation, supervisors should inform student of the upcoming conversation through an email or memo.

Hello,

I just wanted to send out a quick reminder about our meeting next week and give you a little more information about our conversation. Across the Division of Student Life, we participate in a program called WOU GROW® that is designed to help you make meaningful connections between what you're learning in the classroom and what you're learning on the job. Making these connections contributes to your overall academic and social success. Below is the list of questions that we will discuss during our conversation. Please take few moments to look over these questions and think about your answers prior to our meeting.

- How is this job fitting in with your academics?
- What are you learning here that's helping you in school?
- What are you learning in class that you can apply here at work?
- Can you give me a couple of examples of things you've learned here that you think you'll use in your chosen profession?

See you next week!

Sincerely,
