FLORA
Paulann Petersen
Having both trunk and limb,
I yearn upward.
Each leaf makes one of my
E-thousand mouths. Some chide me
for lifting them all to the sun.

Examination: Aelia
Caiti Rogue Hartigan
If she looks at you, how long does it take to look back?
How long does it take the wind to arrive at dawn to the water lake
where there is no way?
What do you see?
My name, your name, and I shall

The Pouring
Amy MacLennan
I hold the fall of air
A dancing
mix
as the breeze
ripples in

One
shudder
might make me

Black & White & Read
Throughout the centuries, artists and poets have perceived and portrayed women in various ways. This exhibition is a modest attempt to capture, in an expansive manner, how women perceive themselves now, as well as how they are seen by others. We have combined two creative elements: the visual—through black and white photographs—and the literary—through poems written in response to those images.
